ABOUT ME

I am an Award winning Producer who's proudly created content at major events like The Women's European Championship 2025, The Lions Tour of Australia, Icons of Football, and the Women's Rugby World Cup.

My experience ranges from unscripted documentaries and digital content, to studio recorded broadcasts. highlight shows, live events & podcasts for institutions like FIFA, The FA, BBC, FAW, World Rugby, BT Sports, S4C, Channel 4, ITV, Youtube, & Spotify.

I thrive on leading a project, liaising with clients, and working cohesively within a team to achieve the intended goals. I am also bilingual with the ability to speak & write in Welsh.
